

Safe Work Healthy Life Award 2026 (SWHLA)

The Safe Work Healthy Life Award is:

- an internal competition
- with the aim of **promoting ideas** that contribute to **improving health, safety and/or wellbeing** for people working at Heidelberg Materials Bene.

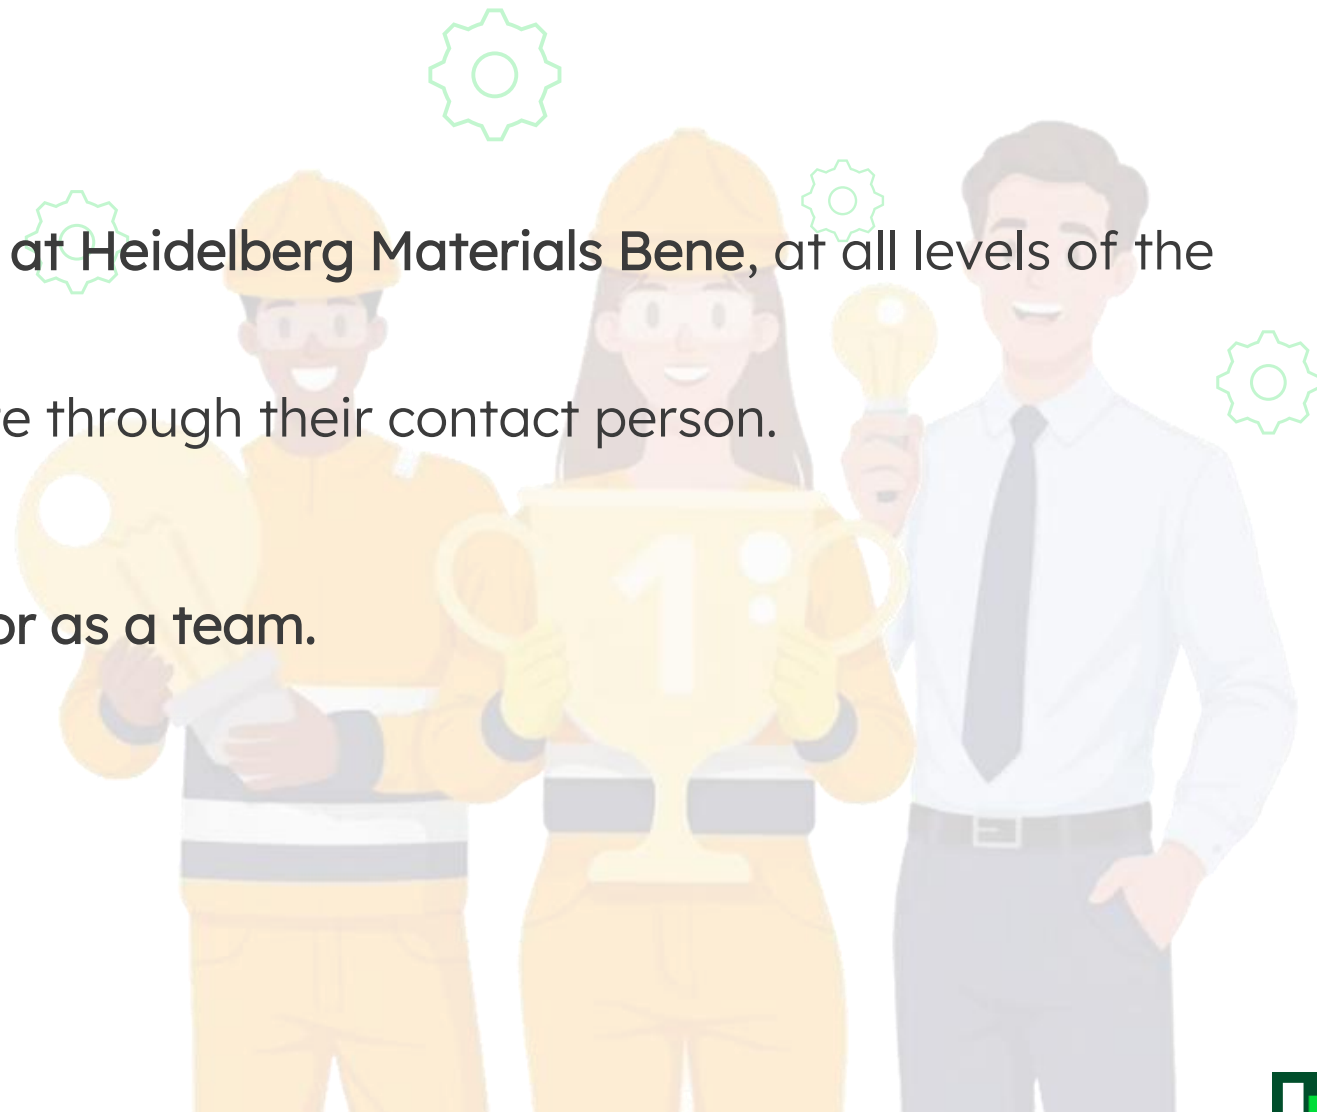

This competition encourages all people working at HM Bene to share their ideas/projects related to health, safety and/or wellbeing within the company.

Participation is open to anyone working at Heidelberg Materials Bene, at all levels of the organization.

- Contractors may also participate through their contact person.

Projects may be submitted individually or as a team.

All ideas related to health, safety and/or wellbeing are eligible.

For example, the 2 previous Bene winners were:

A project to manually add additives safely and ergonomically to the mixer truck using a platform with a lock gate

A project on safely removing the hopper under the loading point

To participate, simply complete the **application form** (one per idea) and send it to your local management, H&S advisor or safetybene@heidelbergmaterials.com before the 18th of August 2026.

SCAN OR CTRL + CLICK

The **application form** contains :

1 
Your **contact details**

2 
The **title** of your idea and a **detailed description**

3 
Your idea's **impact, scope, innovative aspect** and the **improvements** it will bring

You can add **photos, videos, ppwt** or other useful documents to explain your project (if necessary)

There will be **one winner per Business Line** (AGG, CEM, RMC BE, RMC NL, HQ and contractors).

For each Business Line, MT members will vote for the best project during their August/September meeting, and the winners will be announced during Safety Week.

The ideas submitted will be evaluated by the MT according to the following criteria:

- **The impact** on safety, health and/or wellbeing
- The level of **innovation** (realistic / technically feasible / existing)
- A **risk analysis** (Kinney method)

NEW

For each of the **winning Business Line** projects, a promotion video will be made. Based on these videos, a **vote** will be held at the Bene Management Meeting on **2nd December 2026** to elect the best idea, which will be awarded the title of **Benelux winner**.

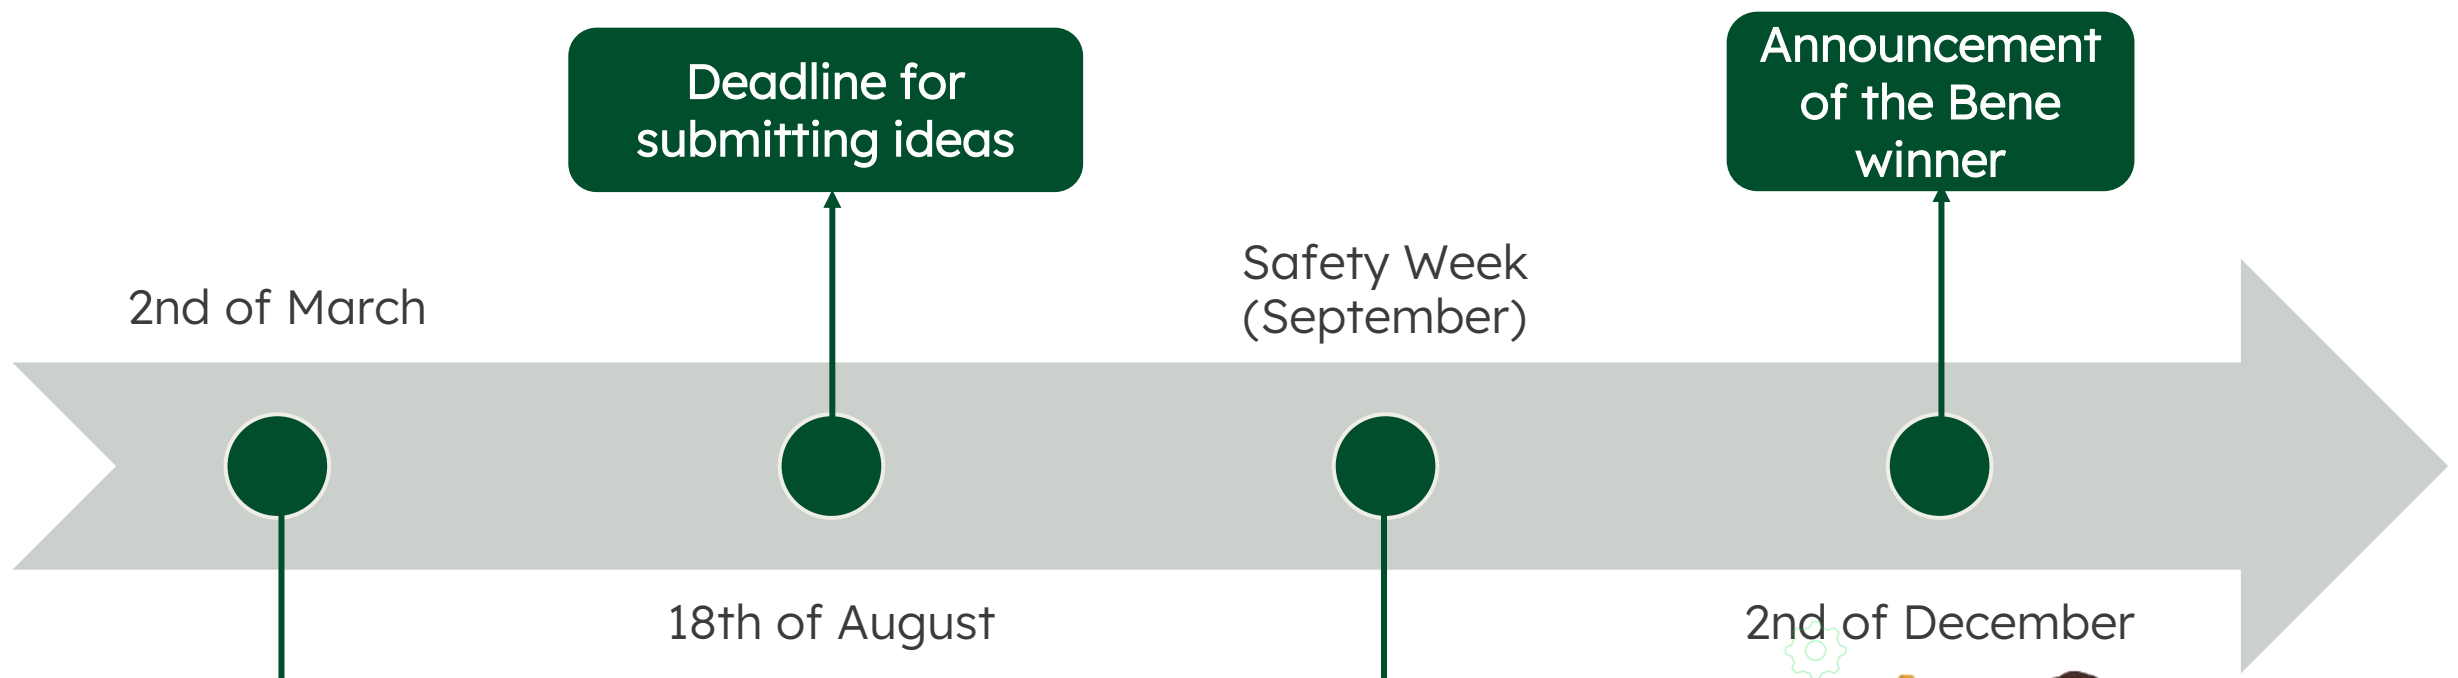

The prizes awarded to the winners at the Bene Management Meeting will be:

- **BL winner:** a gift provided by the managers/directors of each BL
- **Bene winner:** a 1.500€ **teambuilding** experience of your choice

The 2025 winner enjoyed a restaurant with his team and a teambuilding Vespa tour
